CONTACT PERSON Donald MacKay

NUMBER OF EMPLOYEES

STATEMENT BY FIRM Don MacKay has more than 20 years experience in forestry and forest economics, including more than ten years of appraisal experience. His background includes forest economics and policy research at the University of Minnesota, four years as an analyst at the Hancock Timber Resource Group, and appraisal and economics positions with two appraisal and consulting firms. Don is a certified general appraiser and a licensed forester in Maine. His specialty is land and timberland appraisal. He holds a BA in Economics from the College of William and Mary in Virginia, an MBA from the Fuqua School of Business, and a Ph.D. in Forestry (with a specialization in economics and administration) from the University of Minnesota. Don has earned the right to use the Chartered Financial Analyst designation.
